WHO ARE WE?

THE HELLENIC CANADIAN FEDERATION OF B.C. CULTURAL & EDUCATIONAL FOUNDATION & HELLENIC CANADIAN CONGRESS OF BC

The Hellenic Canadian Federation of BC Charitable, Cultural, & Educational Foundation proudly raises funds to:

- To give and award bursaries to needy high school and post-secondary students in BC
- To award scholarships based on merit, to post-secondary students in BC
- To provide grants in aid of Canadian teaching and research institutions
- To establish educational programs, activities or projects related to the advancement of Hellenic Studies including Greek language, literature, history, and culture.
- To raise funds which will be used for the purpose of assisting poor and needy Canadians, and by establishing services for providing information on social, economic, and legal matters.

The partner organization, the Hellenic Canadian Congress of BC is an organization that fosters education, communication, and cooperation between Hellenic Canadians and other ethnic groups, and promotes the development of just and equitable policies and legislation concerning all citizens. The Congress encourages and promotes the retention and development of Hellenism in British Columbia within the multicultural context of Canada.

As hosts of the annual Greek Heritage Month in June, the Hellenic Canadian Congress of BC proudly showcases many events during the month of June, including educational and cultural events, with the finale event Greek Day on Broadway hosted on the last Sunday of June.

ABOUT US

GREEK HERITAGE MONTH

Greek Heritage Month is an established brand and is one of the top festivals each year in the Lower Mainland, attracting over 100,000 people each year from all communities of Metro Vancouver. Guests of all ages enjoy the traditional entertainment, cuisine, educations, and vendors across the month of events.

Greek Heritage Month is a highly anticipated community event, supporting communities, businesses, and organizations local to Kitsilano and the Metro Vancouver area. The festival provides significant opportunity for brand exposure and high one-on-one engagement with consumers.

The finale event, Greek Day on Broadway is the largest one-day Greek festival in Vancouver. The festival aims to share the rich Greek culture which spans 2500 years of history, including over 100 years of social and cultural contributions to the City of Vancouver. A five-block stretch on West Broadway, from Macdonald to Blenheim, measuring almost one kilometer will be closed off to traffic to make room for a world of delicious Greek food and drink, market vendors, entertainment and live music offering a laid back, yet lively Greek atmosphere.

ABOUT OUR CHARITY

KELTY MENTAL HEALTH RESOURCE CENTRE

The Kelty Mental Health Resource Centre, based at BC Children's Hospital, is a vital lifeline for children, youth, and families navigating the challenges of mental health and substance use. As a free, province-wide resource, Kelty provides confidential support, guidance, and education to those seeking help for a wide range of mental health concerns, from anxiety and depression to more complex conditions.

Kelty's mission is to empower youth, families, and caregivers by equipping them with the tools and knowledge needed to better understand mental health, access appropriate services, and foster resilience. By offering a combination of direct support, educational resources, and referral services, the centre ensures that no family in British Columbia faces these challenges alone.

Kelty Mental Health takes a holistic and proactive approach to supporting young people by:

- Providing one-on-one support to youth, parents, and caregivers navigating mental health and substance use services.
- Offering a wealth of digital resources, toolkits, and workshops to promote early intervention and prevention.
- Running peer support programs that connect families with lived experience mentors, creating a strong sense of community and shared understanding.
- Collaborating with schools and healthcare professionals to advocate for improved access to mental health services and reduce stigma.
- Championing wellness initiatives, including programs that focus on mindfulness, self-care, and resilience-building.

By choosing to participate in Golf with the Gods, you are directly supporting Kelty's life-changing work. Mental health challenges are becoming increasingly prevalent among young people, with 1 in 5 youth in Canada experiencing a mental health disorder. The need for accessible, high-quality mental health support has never been greater.

Your contributions will help expand Kelty's reach, enhance their services, and provide essential resources to families who might otherwise struggle to find support. Whether through direct counseling, peer mentorship, or educational initiatives, every dollar raised will go toward ensuring that youth across British Columbia receive the care they need to thrive.

Together, we can empower youth, support families, and create a brighter future for mental health care in our community. Thank you for being a part of this initiative and for helping us champion the well-being of the next generation.
